Summary

Results-driven B.Sc. Data Science student with skills in Artificial Intelligence, Machine Learning, Python programming and data handling. Seeking internship opportunities to apply programming, technical and problem-solving skills while gaining practical experience in real-world applications in data and AI/ML fields and contribute to solving analytical challenges.

Education

- **Data Science (B.Sc) - Institute of Leadership, Entrepreneurship and Development-iLEAD**

Scored: CGPA: 8.2

- **Class 10th and Class 12th - St. John's Diocesan Girls H.S School**

Passing year 10th : 2021 | **Scored:** 87%
Passing year 12th: 2023 | **Scored:** 78%

Skills

- **Programming:** Python (loops, functions, OOP, file handling), HTML (Web Dev)
- Basic Machine Learning (models, classification, regression, prediction),
- **Data Science Tools:** Pandas, NumPy, Matplotlib, Flask, EDA.
- **Databases:** Learning SQL
- **Other Tools:** Jupyter Notebook, Git/GitHub, Excel (formulas, charts), Render, R&D, AI
- Data Analytics, Microsoft Office (Excel, Word, PowerPoint), Power BI (beginner)

Internships

- **1M1B Green Intern**
- **Cognyfiz Technologies**: Data Analysis Intern

Performed data cleaning and visualization using Excel/Python

- **Excelerate**: Project Management Trainee
- **VodafoneIdea Foundation**: CyberSecurity with GenAI Intern
- **AICTE**: AI/ML Intern, MS Elevate Intern
- **Codec Technologies**: Data Science Intern

Built basic ML models and performed data preprocessing using Python

Projects

- Timed Math Challenge (Python)
- Multiplayer Dice Game
- Flask Quiz Game (Pygame app)
- Smart Attendance & Emotion Recognition System
- Sign Language Detection System
- Python-based AI Chatbot powered by Google Gemini (Render)
- Period Tracker

Certifications

- **BOOTCAMPS – (1) Python Bootcamp** – Udemy, (2) **Student Bootcamp on 'IOT Security'** sponsored by the Ministry of Electronics and Information
- **WORKSHOPS – (1) Data Analysis Workshop** by the IUCAA at NSSC at IIT Kharagpur, **(2) Web Scraping Workshop – YBI (3) AI Tools & ChatGPT Workshop** – Be10x
- **ML Ops Fundamentals** – Scaler
- **Protection from Browser Attacks** – VOIS
- **State Level OpenAI NxtWave Buildathon**
- **Data Science Using Python Masterclass** - Scaler
- **RESEARCH PAPER PRESENATION** – (1) FOSET, (2) International Conference on AI & Data

Activities & Achievements

- **Smart India Hackathon (SIH) Internal Hackathon – 2nd Runners up,** September 2024.
- Presented a Research Paper in titled **"SECURE FEDERATED LEARNING FOR PERSONALISED DRUG RECOMMENDATION: A MULTI MODAL PATIENT HISTORY APPROACH"** in Computer Science & Engineering, Information Technology and AI, ML & IoT in the 15th Inter University Engineering, Science & Technology Academic Meet 2025 & Innovative Model Competition for a Sustainable Society organised by Forum of Scientists, Engineers and Technologists (FOSET) in Swami Vivekananda Institute of Science and Technology.
- Presented a Research Paper titled "**AI-Powered Home Design & Material Intelligence System**" in the International Conference on Innovation in Artificial Intelligence and Data Science.
- Participated and organised coding challenges and workshops as college **TECH CLUB HEAD**
- Attended **National Student Space Challenge (NSSC) at IIT Kharagpur** held from 8th to 10th Nov, 2024.
- Participated in **BIZZ IQ event of BIZZ VERSE'24** under INSTITUTION'S INNOVATION COUNCIL (Ministry of HRD Initiative).
